### **Attention coupon shoppers**

Now more than ever, coupons and discounts can have an effect on our monthly budgets.

Got this word on a Web site that can help:

"[CouponWinner.com](#), a Web site that works with over 2500 merchants to provide free coupons and promotional codes for over 7000 products, is making shopping a little more economical. With coupons available from top national retailers, consumers can use Couponwinner's innovative CouponScout tool to compare prices among top products without switching to multiple websites."

On a visit to the site, I found a coupon for \$50 off hotel stay booked through Travelosity if you use a Mastercard. Another for 15 percent off at PetSmart.com; 15 percent off at Dick's Sporting Goods and \$30 off at Office Depot. Plus tons of "free shipping" coupons for popular Web sites. Some coupons expire at the end of April and others last until the end of the year.

On the day of my visit, the site boasted of 7,916 coupons from 2,683 retailers. I didn't try any of the coupons but plan to in the future. If you use it, let me know how it works out.
